To Whom It May Concern:

Per the request of the insured, this letter is to confirm that the above referenced property is equipped with an automatic Fire Sprinkler system. Piper Fire Protection, LLC. inspected this system according to NFPA guidelines on April 24, 2024.

For more information on the inspection, please refer to the inspection reports, which can be obtained from the insured or the insured's property manager.

Please be advised that Piper Fire Protection, LLC did not have access to the unit(s) during this inspection.

Please note that 1) the inspectors may not have been granted access to all areas of the property, including some living domicile areas, as noted on the report and 2) we are unaware of any discrepancies beyond the discrepancies noted on the inspection report and can't comment on areas that we have not been granted access to.
