INDEPENDENT AUDITORS' REPORT

**The Board of Directors
Promenades East Condominium Association, Inc.
Port Charlotte, Florida**

We have audited the accompanying financial statements of **Promenades East Condominium Association, Inc.**, which comprise of the balance sheet as of **December 31, 2015**, and the related statements of revenues, expenses, and changes in fund balances and cash flows for the year then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. According, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Promenades East Condominium Association, Inc.** as of **December 31, 2015**, and the results of its operations and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Statement of Actual Receipts and Disbursements to Budget-Unrestricted Fund Only, which is the responsibility of the Association's management, is presented for the purposes of additional analysis, and is not a required part of the financial statements. Such information, except for that portion marked "unaudited", was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. That information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, that information is fairly stated in all material respects in relation to the financial statements as a whole. The information marked "unaudited" has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

Disclaimer of Opinion on Required Supplementary Information

Accounting principles generally accepted in the United States of America require that Supplementary Information on Future Major Repairs and Replacements on page 16 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Financial Accounting Standard Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015

Note 1 Nature of Business and Significant Accounting Policies

Nature of Business

Promenades East Condominium Association, Inc. is a not-for-profit corporation organized under the laws of the State of Florida. The Association operates Promenades East Condominium, which consists of 147 units located in Port Charlotte, Florida.

Promenades East Condominium was declared such October 12, 1982, pursuant to the filing of its condominium documents. The first unit was closed on October 18, 1982.

Significant Accounting Policies

A summary of the significant accounting policies followed by the Association is set forth below:

General Accounting Policies

The Association uses the fund method of accounting, which requires that funds, such as unrestricted operating funds and restricted funds for future repairs and replacements, be classified separately for accounting and reporting purposes.

Fund accounting is helpful in segregating funds having restrictions on their use. Disbursements from the unrestricted fund are generally at the discretion of the Board of Directors. Disbursements from the restricted fund may be made only for their designated purposes.

Cash and Cash Equivalents

For the purposes of the statements of cash flows, the Association considers all highly liquid debt instruments purchased to be cash equivalent. Certificates of Deposit held in the Restricted Fund are considered cash equivalents.

Condominium Fees Receivable

The Association considers any unpaid assessment delinquent ten days after the due date. The Association may record a claim of lien against the condominium owner to obtain the amount due. All receivables are considered collectable.

Properties

The Association recognizes purchased property and equipment to which it has title at cost and at fair market value for those assets contributed to the Association. Depreciation is provided over the assets estimated useful lives (ranging from five to ten years) using the straight line method.

Significant Accounting Policies (Cont.)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates

Assessments

The Board of Directors shall from time to time, and at least annually, prepare a budget for the condominium, determine the amount of assessments payable by the unit owners to meet the common expenses of the condominium and allocate and assess such expenses among the unit owners in accordance with the provisions of the condominium declaration and the bylaws.

Management

The Association's Board of Directors for the period ended December 31, 2015 consisted of homeowners of the Association.

Date of Management Review:

The Association has evaluated subsequent events and transactions after December 31, 2015 through February 10, 2016, the date the financial statements were available to be issued.

Note 2 Property, Plant and Equipment

Property, plant and equipment are comprised of the following at December 31, 2015:

Common property improvements	\$ 2,113
Equipment	<u>1,067</u>
	3,180
Less: Accumulated depreciation	<u>(3,180)</u>
Remaining Basis	<u>\$ -0-</u>

Note 3 Owners' Capital Contribution

At December 31, 2015 owners' capital contribution consisted of:

Unit owners at closing made a capital contribution to the Association equal to twice their monthly assessment.	\$ 29,706
Owners indirectly paid for all furniture and fixtures in the common areas. These assets were recorded as owners' capital.	<u>14,986</u>
	<u>\$ 44,692</u>

Note 4 Developer Capital Contribution

The developer funded the Association \$2,085 in excess of the developer's obligations at June 15, 1982. The developer has contributed these funds as contributed capital to the Association. The developer contributed an additional \$1,500 in contributed capital during 1985.

Note 5 Restricted Fund Balance

Pursuant to the Florida Condominium Act and the Association's governing documents, the Association is required to accumulate funds for future major repairs and replacements. Accumulated funds, which aggregate approximately \$616,003 at December 31, 2015, are held in separate accounts and are not available for expenditures for normal operations. It is the Association's policy that interest earned on such funds is allocated to various reserve fund accounts. The Association engaged an independent engineer who conducted a study in July, 2011 to estimate the remaining useful lives and the replacement cost of common property components.

Funds are accumulated in the restricted fund based on current estimates of future needs for repairs and replacements of common property components. Actual expenditures may vary from the estimated future expenditures and the variations may be material. Therefore, amounts accumulated in the restricted fund may not be adequate to meet all future needs for major repairs and replacements. If additional funds are needed, the Association has the right, subject to membership approval, to increase regular assessments, pass special assessments, or delay major repairs and replacements until funds are available.

Detail for these restricted fund balances are as follows:

Note 6 Compensated Absences

The Association provides for all compensated absences as they are incurred. Any liability for uncompensated absences is immaterial.

Note 7 Commonly Owned Assets

Commonly owned assets primarily include the land, buildings and other recreational areas within the development. These assets are not owned by the Association. The ownership of these assets vests with the unit owners and these assets are not deemed to be severable. As a result, commonly owned assets are not capitalized in the Association's financial statements. Replacements, major repairs and the purchase of additional commonly owned assets are not capitalized as assets. These assets are accounted for as expenditures in the Unrestricted and Restricted Funds at the time of the expenditure.

Note 8 Income Taxes

The Association is classified as a nonexempt membership organization for both federal and state income tax purposes for the year ended December 31, 2015. It does not qualify as an exempt organization. The Association is subject to specific rulings and regulations applicable to nonexempt membership organizations. In general, the Association is required to separate its taxable income and deductions into membership transactions, non-membership transactions, and capital transactions.

For federal tax purposes, the Association is taxed on all net income from non-membership activities reduced only by losses from non-membership activities for which a profit motive exists. Non-membership income may not be offset by membership losses, and any excess membership deductions may only be carried forward to offset membership income of future tax periods. Any net membership income not applied to the subsequent tax year is subject to taxation. The Association files form 1120, which has graduated tax rates of 15% to 39% that are applied to net taxable income.

For state income tax purposes, the Association also is taxed on all net income from non-membership activities reduced only by losses from non-membership activities for which a profit motive exists. Non-membership income may not be offset by membership losses. Any net membership income is not subject to taxation. The tax rate that is applied to net taxable income is 5.5%.

The Association's tax filings are subject to audit by various taxing authorities. The Association's federal income tax returns for 2014, 2013, and 2012 remain open to examination by the Internal Revenue Service; state income tax returns for 2014, 2013, and 2012 are open to examination. In evaluating the Association's tax provisions and accruals, the Association believes that its estimates are appropriate based on current facts and circumstances.

Note 9 Concentrations of Credit Risk

The Association maintains its cash balances at various financial institutions located throughout the area. Accounts at each institution are secured by the Federal Deposit Insurance Company (FDIC) up to \$250,000. At December 31, 2015, the Association had no significant concentration of credit risk.

Note 10 Fair Value Measurement

The Association uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures of investments in debt and equity securities if held as available-for-sale on a recurring basis. FASB ASC 820-10 defines fair value, establishes a consistent framework for measuring fair value, and expands disclosure requirements for fair value measurements. The carrying amounts reflected in the balance sheet for cash, cash equivalents, condominium fees receivable and accounts payable approximate the respective fair values due to the short maturities of those instruments.

SUPPLEMENTARY INFORMATION ON FUTURE
MAJOR REPAIRS AND REPLACEMENTS
FOR YEAR ENDED DECEMBER 31, 2015
(UNAUDITED)

An independent engineer conducted a study in July 2011 to estimate the remaining useful lives and the replacement costs of the components of common property. Replacement costs were based on the estimated costs to repair or replace the common property components at the date of the study. Estimated current replacement costs have not been revised since that date and do not take into account the effects of inflation between the date of the study and the date that the components will require repair or replacement.

The following table is based on the study and presents significant information about the components of common property.

<u>Components</u>	<u>Components of Fund Balances at 12/31/15</u>	<u>Estimated Remaining Useful Lives (Years)</u>	<u>Estimated Current Replacement Costs</u>	<u>2016 Statutory Funding Requirement</u>
